Lorena-

I am following up on both these requests and while I am at it add a third: please send me a copy of our latest board roster.

Lorena-

Could you or someone in the office also send me a copy of our most recent by-laws?

Thanks,

Alan

Lorena-

I would be happy to make the call if you would send me their contact info but probably a good idea to copy them on the email or make some introduction so they know who I am.

Thanks,

Alan
